File 511.5

Mr. John Trenchard
1520 Floribunda Avenue
Burlingame, California 94010

Dear Mr. Trenchard:

Reference your letter of November 21, 1971, concerning your acreage in the subject area.

As requested, we are enclosing an original and one copy of an Oil and Gas Lease for your examination and execution.

The subject tract is 587 acres located in Section 6, T-12-N, R-4-E; Section 59, T-13-N, R-4-E; Section 51, T-13-N, R-3-E; and Section 1, T-12-N, R-3-E, Claiborne County, Mississippi. You received your interest of 7/64 from Mr. D. E. Whelaw and you sold the following: J. B. Whisenant - 7/512; Malco Refineries, Inc. - 21/512; Trigood Oil Company - 21/1024; Paul Stock - 21/1024; and Mary H. Trenchard - 7/1024. After all these sales, you were left with 7/1024 or 4.01 net acres, the same as Mary Trenchard.

As stated above, we have enclosed an original and one copy of the lease for your execution. We request you execute the original and have your signature acknowledged by a Notary Public. We also request you include your social security number along with your signature. We have enclosed a courtesy envelope so the executed lease can be returned to our New Orleans office.

We did not know if Mary H. Trenchard was located at the same address but have enclosed our lease covering her interest in the event she is located there.

Please note the lease is a 5-year paid-up lease and, therefore, we have enclosed our draft in the amount of \$116.29 which
